learn. act. thrive.

This list represents brand products in CAPS and generic products in lower case. The corresponding tier can be found in parenthesis after the drug name. Some strengths and dosage forms may not be included in the Preventive Therapy Drug List. All clinical edits still apply. This list is subject to change without notice. Additional drugs may be included in this list from time to time in compliance with Affordable Care Act requirements and/or U.S. Internal Revenue System (IRS) guidance. This list includes drugs considered preventive by the IRS; it may not include all preventive drugs.
