

Accident Insurance Plan

- The Accident Insurance Plan is provided by MetLife.
- Accident insurance provides you with a lump-sum payment when you suffer a covered injury or undergo covered testing, medical services, or treatment and meet the group policy and certificate requirements. There are more than 150 covered events, and there is no limit on the number of different accidents that will be covered.
- You can use the Accident Insurance Plan benefit for any purpose you like, for example: to help pay for expenses not covered by your medical plan, deductible, coinsurance, or your out-of-pocket maximum.
- Payments will be made directly to you to use as you see fit. To view covered benefits, visit <http://benefits.sd.gov/accident.aspx>.
- There are no waiting periods for coverage and payments are made in addition to any other insurance you may have.
- The Accident Insurance Plan is portable. This means, you can continue your coverage if your employment status with the State changes.
- If covered member is age 70 or older, benefits will be reduced by 50%.
